

Fellow Gentiles Of Boston

The primary aim and purpose of the AMERICAN FASCIST UNION is the liberation of all our white Gentile brothers from the Sadistic Communist Jew vermin that has permeated the atmosphere of our once beautiful City.

We are now organizing our Storm Troops here in Boston not only to check Jewish Marxist brutality, but to destroy it completely.

We staunchly, fearlessly and vigilantly intend to crush the power and force of this diabolic Jew swindle.

White Gentile Americans Awake!

Down With The Communists.

Hail America!

Fascism Is Inevitable!
