

As you know, politicians usually avoid taking a stand at all costs. They generally are controlled by those who put the most money in their pocket ... instead of for the taxpayer.

Not me, though. That's why left-wing special interests spent literally millions of dollars to defeat me in my recent U.S. Senate race. They know I can't be bought at any price.

And that I'm the last hope for bringing government back to the taxpayer.

I have formally announced for Governor. I have stepped out front for all of us. I need you with me.

Doesn't the NAAWP promote hate?

If the NAACP pushes for black civil rights, black interests, and attempts to instill black pride in their children - and then advocates discrimination against whites, the mass media and government refer to it as love and brotherhood. If a white dares to defend white civil rights, white interests, and attempts to instill white pride in his children - and opposes racial discrimination against anyone, it's often called hate and bigotry. It should be readily apparent that the real hatred rests with the minority racists. → = JESSE/MICHAEL JACKSON, MARTIN LUTHER KING, ETC

What are the major differences between the NAAWP and the NAACP?

The NAACP promotes racial discrimination by seeking discriminatory policies against white people in employment, promotions, scholarships, and in college and union admittance, while the NAAWP seeks equal opportunity for all, with preference for the hardest working, most talented, and best qualified.

The NAACP pushes hard for forced integration and busing, while the NAAWP believes that people should have the freedom to choose their associations.

As for the notion that busing fosters racial harmony: nothing could be further from the truth. In testimony before the U.S. Congress, the National Education Association revealed that there are 200,000 serious assaults in our nation's public schools every month, and consistently, the greater the degree of integration, the higher the prevalence of violence. = BLACK VAMPIRES = DEATH & AMERICA

Equal Rights FOR WHITES?

NAAWP Box 10625 New Orleans, LA 70181

I agree with the basic principles of the NAAWP. I would like to apply for membership.

What is the NAAWP?

The NAAWP is the National Association for the Advancement of White People. It is a non-profit organization that defends white interests and rights in the same fashion that the NAACP works for "the Advancement of Colored People."

Isn't discrimination against whites necessary to give the poor and disadvantaged the chance they need?

U.S. Government figures reveal that two-thirds of those with incomes below the poverty level are WHITE. Are we really helping the poor by promoting a program of intensive racial discrimination against two-thirds of them? Are we supposed to be so racist as to assume that only poor blacks have rights, not poor whites?

The art, literature, music, architecture, medicine, technology, system of justice and scientific achievement of the European people should mute all but the most hate-filled non-whites. Our people have dried an ocean of tears compared to what we've caused, have fed a billion more people than we've mistreated, and educated a thousand non-whites for every one we've abused. Europeans have brought literacy to societies that had no written language, concepts of justice to tribes that knew no law except that of the mighty and brutal, principles of freedom to lands that have known nothing but tyranny from the beginning of time.

Non-whites grow up imbued with hatred toward our people, and our young should not grow up with feelings of guilt, but with the pride and determination they need to become a meaningful part of a great people whose destiny points not toward the jungle, but toward the stars.
