

When Are YOU Going To Wake Up?

Are you going to wait until the traitors in our government phase out our entire armed forces into the communist controlled United Nations; as they have already begun to do?

Will you wait until the United Nations "Peace-Keeping" forces begin to disarm the American populace, under the guise of preventing civil war.?

Or will you wait until we are completely disarmed—with our fighting men scattered over the globe, at the mercy of the conspirators who will not now let them win.?

People who will not use their freedom to defend their freedom . . . Do not deserve their freedom. Act NOW. The life you save **will** be your own . . . and your children's.

"Still, if you will not fight for the right when you can easily win
without bloodshed;

If you will not fight when your victory will be sure and not too costly;

You may come to the moment when you will have to fight with all the
odds against you, and only a precarious chance of survival.

There may be even a worse case:

You may have to fight when there is no hope of victory,

because it is better to perish than to live as slaves!"

— WINSTON CHURCHILL
"The Gathering Storm"

"If anyone thinks that our smiles mean the abandonment of the teachings
of Marx, Engels, and Lenin, he is deceiving himself cruelly.

Those who expect this to happen might just as well wait for a shrimp
to learn to whistle.

And what are the teachings of Marx, Engels, and Lenin? Simply this:

Total unremitting warfare against every person, every society,
until the complete globe and every soul is controlled completely by
the force known as Communism.

Whether you like it or not, History is on our side . . .

WE WILL BURY YOU !"

"War to the hilt between Communism and Capitalism is inevitable.

Today, of course, we are not strong enough to attack.

Our time will come in 20 or 30 years.

To win we shall need the element of surprise.

The bourgeoisie will have to be put to sleep.

So we shall begin by launching the most spectacular peace movement
on record.

There will be electrifying overtures, and unheard-of concessions.

The capitalist countries, stupid and decadent, will rejoice to cooperate in their
own destruction.

They will leap at another chance to be friends.

As soon as their guard is down,

We will smash them with our clenched fist!"
